Filesize: 8.43 MB

Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Scribner Book Company, United States, 2016. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. The debut novel from award-winning author Lori Ostlund smart, resonant, and imbued with beauty (Publishers Weekly) that provides considerable pleasure and emotional power (The New York Times Book Review) about a man who leaves his longtime partner in New Mexico for a tragicomic road trip deep into the mysteries of his own Midwestern childhood. Sensitive, bighearted, and achingly self-conscious, forty-year-old Aaron Englund long ago escaped the confinements of his Midwestern hometown, but he still feels like an outcast. After twenty years under the Pygmalion-like care of his older partner, Walter, Aaron at last decides it is time to take control of his own fate. But soon after establishing himself in San Francisco, Aaron sees that real freedom will not come until he has made peace with his memories of Mortonville, Minnesota: a cramped town whose four hundred souls form a constellation of Aaron s childhood heartbreaks and hopes. After Aaron s father died in the town parade, it was the larger-than life misfits of his childhood who helped Aaron find his place in a world hostile to difference. But Aaron s sense of rejection runs deep: when Aaron was seventeen, Dolores his loving yet selfish and enigmatic mother vanished one night. And when, all these years later, a new friend in San Francisco offers Aaron a way to locate his mother, his past and present collide, forcing Aaron to rethink his place in the world. Touching and often hilarious Ostlund writes with acuity and refreshing honesty about the messy complexity of being a social animal in today s world (Booklist, starred review). Everything here aches, from the lucid prose to the sensitively treated characters...
