Brand New Book ***** Print on Demand *****.Excerpt from Mayhew s London: Being Selections From London Labour and the London Poor During the fourth and fifth centuries after Christ, the ordered landscape of the Roman world suffered a process of transformation, no doubt gradual in its development but, as regards its ultimate effects, certainly disastrous. The imperial system was slowly breaking up; and, while the great landowners withdrew to remote fortified demesnes (where, if they were originally of Roman descent, they soon took on the manners and costume of outlandish barbarian neighbours), the huge open cities, which had expanded under the sun of pax romana, with their libraries and their baths, their market places and their temples, shrank into smaller and meaner compass, behind massive walls often constructed from the debris of demolished shrines and palaces. Aqueducts had been breached, flooding the farm-lands: as travel grew more dangerous, the post-roads were neglected. Fugitives thronged into the safer townships: the mediaeval city began to appear, picturesque, squalid and overcrowded, with its girdle of crenellated ramparts, its narrow, tortuous streets, its confusion and its poverty. For...
