

The Path of Love (Paperback)

By Ronald D Cowen

Friesenpress, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Buddha was a scientist. Instead of using a microscope or a particle accelerator, the Buddha used ESP. He had several psychic powers that allowed him to perceive in detail the psychology of karma, the evolution of consciousness, and subatomic particles. He discovered love and self-love to be organizing principles that evolved early in the history of intelligent consciousness, especially with regard to feelings and emotions. Every person has the deepest need to love and be loved. He solved the mind-body problem by perceiving the physical basis of intelligent consciousness. These psychic powers are acknowledged in Hindu and Buddhist scriptures, but extremely few people have them. This book is essentially a meditation report written by someone who has them. While this sounds like an invitation to return this book to the shelf in a bookstore, it also documents in depth another report by a physicist, Stephen Phillips, who relates in comprehensive detail the relationship between modern superstring theory and extrasensory observation of the elements of the periodic table by Annie Besant and Charles Leadbeater of the Theosophical Society....
