He advises the casting of physics to the dogs, and urges upon all suffering from any of the ills that flesh is heir to, to adopt a method of mental treatment the efficacy of which is, to his mind, unquestioned by those trying it. Explicit directions are given to all desiring to practice the system. The book is quite free from the mystical terms so common in such works and is intensely readable. It is suggestive, and will doubtless convince many, of the truth of the author s theories. Boston: Lee Shepard. The Christmas number of Harpa s Magazine is notable for the first chapters of a new story, The Simpletons, by Thomas Hardy, and an incomparable further table of contents, covering a rich field of literature, art, travel and adventure. Robert Grant, whose story, A Bachelor s Christmas, was a great success last year, contributes to Scribncr s Magazine for December another Christmas story, entitled The Matrimonial Tontine Benefit Association. The Popular Science Monthly continues to give to the general public, in a simple and readable way. the latest facts and theories of the scientists. An article of value to educators, in the January number, is Professor Sully s Psychological and Theological Ideas, in the Studies of childhood series. McClurs Magazine for...
