Levenson (The Old Shekarry) Originally published in 1874 as Wrinkles or Hints to Sportsmen, this rare early work is both expensive and very hard to find in its first edition. READ COUNTRY BOOKS have republished it, using the original text and photographs. The author was a well known and much travelled big game hunter and sportsman. He was also responsible for other much sought after sporting titles such as, The Forest and the Field, Sport in Many Lands, Hunting Grounds of the Old World, etc. During his hunting trips abroad he made many notes regarding the best sporting equipment and arms required for use in various countries. These formed the basis for this entertaining and important historical record, which will prove of great interest to all who travel or hunt, with the four detailed and illustrated chapters on arms and ammunition being of particular appeal to Gun Buffs . The book s two hundred and ninety four pages consist of eleven sections: - Upon Dress. - The Equipment of a Traveller and Sportsman. - Sporting Arms. - Military Arms. - On the Selection of Arms. - Practical Hints on the Use of the Rifle. - Tents and Encampments. - Hints to Travellers. - Hints to Sportsmen. - Hints to Naturalists with Directions for Collecting and Preserving Specimens. - The Forest and the Mountains. Each chapter is well illustrated with black and white drawings and engravings of arms and equipment, etc. This hitherto rare and unusual book can be thoroughly recommended for inclusion in the library of all sporting and travel enthusiasts or historians....
