As faithful Christian KaMulanS delved more deeply into her lifelong dedication to the Bible, she began to have questions that no one was able to answer, particularly about Armageddon. Her need for knowledge started her on the quest that became this book, Keys to Armageddon. As a Bible picker, KaMuLanS rummaged through the scriptures, and found a collection of trinkets, numbers, and a grand calendar of events, things in plain sight but invisible except to one looking outside the box. Keys to Armageddon will take you through a planned series of events from the creation of Adam to the appearance of Satan, the death of Jesus Christ, and finally Armageddon. For thousands of years, man has been battling with himself and with God. God was patient, and for the most part left man to his own demons, but in the days of Noah, God deluged the earth and man was given a fresh start. The time for another new beginning is at hand. There are just a few grains of sand left in the hourglass before Armageddon, the war of the great day of God the Almighty. As in the days of Noah, only a few will survive. Will you be among them? Insightful and powerful, Keys to Armageddon will inspire you to seek the salvation and countless blessings that God has to offer.
