In every civilized land it is ranked alongside their own pressing local issues; everywhere there is not only sympathy and indignation, but a feeling of real responsibility. We are a group of Christian nations, and the first Christian nation is being exterminated. Within a few months the unspeakable Turks and barbarous Kurds destroyed more than a thousand villages and towns, murdered a hundred thousand Armenian Christians, - men, women, and innocent children, - and left 500,000 others without homes, clothing, or food, thousands of women shamefully defiled, and thousands of men put to horrible tortures. Dying in the streets, in the fields, on the mountains; dying of hunger, of cold, of storm, and of diseases bred of all these; dying of broken hearts and despair, even more, of shame and mental torture. Yet all these Armenians who thus suffered and were driven forth to starve and die like deserted animals, were absolutely peaceable, - indeed, they were totally unarmed and could not have been otherwise if they wished, - perfectly respectable, most of them comfortably off, and some of them rich. One who was last week a banker is today a beggar; yesterday a merchant, to-day a tramp. Why? For the main reason that he is a Christian, and the Sultan has resolved to have no more Christians in his dominion; the doom of Islamism is hanging over their heads.
