His hands become warm when he is in danger or near someone ill, his increasingly vivid dreams span millennia, and his dream world and waking world have begun to intertwine. His tranquil family life in rural Alaska is sharply interrupted when he is thrust into the center of a global battle between heaven and hell. Aching to hold on to his family, but faced with the opportunity to enact Gods purpose for him and tip the scales toward good in the worlds greatest struggle, Thomas must make the most difficult decisions of his life. As he becomes more and more estranged from his own family, Thomas is welcomed warmly into another circle, the Seven -Thunders. The seven men study, plan, and pray together, protecting us all from unimaginable danger while piecing together Gods plan for the days of change to come. Author Profile Raised in Nevada, Thomas spent much of his adult life in Alaska. While Thomas never thought of himself as a writer, he felt a powerfully sustained urge to share this story. Seven-Thunders has been writing itself in Thomass dreams and visions since his youth. After attempting to put this book into the written form for years, Seven-Thunders now emerges as his personal commitment to his faith and God. This item ships from multiple locations.
