Do You Still Live In The Hope That Employees Will Follow Through On Their Responsibilities and Commitments? Turn Hope Into Certainty With The New Science of Accountability. Great business leaders understand that acceptance of greater personal accountability and responsibility leads individuals, teams, and organisations back on the path to success. But with the evolving nature of 21st century business, the practical steps that go into creating a high performance culture of accountability have become more muddled than ever. Many organisations have seen temporary improvements, implementing traditional systems of accountability in an attempt to drive high performance in the workplace; only to quickly revert back to their old ways, or worse. The #1 Amazon Best-Seller Accountability Leadership Will Teach You: What it really takes to lead a high performance culture of accountability. Why so many of today's employees avoid personal accountability and responsibility like the plague, and how to reverse that trend. How to sustain...
