BRAND NEW, Career Fitness Workbook: How to Find, Win & Keep the Job of Your Dreams, Peter Weddle, Recognising that millions of Americans are out of work -- or are at risk to be -- this guide provides an engaging way for job seekers to rethink their strengths and weaknesses, dreams and goals, and challenges and opportunities in the new world that has emerged after the "Great Recession". The consideration uses a powerful metaphor, analogising the principles of developing a strong career to the practices of building a healthy body, integrating the best techniques into a single, practical strategy for success. Distinguishing itself from virtually every other career book on the market, this study counters the widespread angst in the workforce by tapping into the quintessential commitment to self-improvement. Exercises and worksheets cover topics such as discovering individual talent, setting goals, nurturing the facets of a healthy career, how to define personal victories, and getting back on track.
