THE STORY OF THE THIRTY-THIRD N. Y. S. VOLS, OR TWO YEARS CAMPAIGNING IN VIRGINIA AND MARYLAND (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Story of the Thirty-Third N. Y. S. Vols, or Two Years Campaigning in Virginia and Maryland This volume does not propose to review the causes, rise and progress of the unhappy civil strife, which for more than two years has rent our land; neither is it designed to describe all the operations which have marked the war in the single department of Virginia and Maryland. It aims merely, as the title page indicates, at giving a narrative of one of the many Regiments which the Empire State has sent into the field, together with a description of the various campaigns in which it participated. Nor should it be inferred, from the embodying of their experience in book form, that the soldiers of the 33d esteem their services more worthy of notice than those of numerous other Regiments. The work has its origin in the general desire expressed on the part of the members and friends of the command to have the scenes and incidents connected with its two years history collected and preserved in readable shape - valuable for future reference - interesting as a souvenir of the times. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
