RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. OCLC Number: (OCoLC)367663664 Subject: United States -- Census, 23rd. Excerpt: . . . A successful census depends, in large part, on the work carried out in the Fieldwork Management 11 local census offices. For the 2010 Census, this field work cannot be System for Most accomplished without a properly functioning Operations Control System Operations Still Needs to ( OCS ). This system is intended to provide managers with essential real-Be Specified and time information, such as worker productivity and completion rates for Programmed field operations. It also allows managers to assign or reassign cases among workers. If the system does not work as intended, it could bog down or delay field operations and introduce errors into data collected. Initially, the Bureau had planned to use a contractor to develop OCS to manage the workflow for those operations relying on paper-based processes, such as group quarters enumeration and nonresponse follow-up. However, in August 2008, the Bureau created an internal program to develop OCS and other related infrastructure that are needed to support these operations. The Bureau is still in the process of developing OCS for paper-based operations....
