

## Pit Bull: Lessons from Wall Street's Champion Trader

Filesize: 1.1 MB

### ***Reviews***

*It is one of the most popular ebooks. I have got to study it and I am certain that I am going to likely read it again yet again in the future. I am happy to inform you that this is actually the greatest ebook I actually have studied inside my very own life and might be the best ebook for possibly.*

## PIT BULL: LESSONS FROM WALL STREET'S CHAMPION TRADER

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Pit Bull: Lessons from Wall Street's Champion Trader, Martin Schwartz, Welcome to the world of Martin "Buzzy" Schwartz, Champion Trader--the man whose nerves of steel and killer instinct in the canyons of Wall Street earned him the well-deserved name "Pit Bull." This is the true story of how Schwartz became the best of the best, of the people and places he discovered along the way and of the trader's tricks and techniques he used to make his millions. Writing with great verve and style, Schwartz makes us a part of the action as we follow his career from his first gut-wrenching day trading options on the American Stock Exchange to his enormous successes trading futures, his pursuit of secretive foreign money for his hedge fund, the night he spent trading bonds during the Golf War (in that first tumultuous night, he made \$1.2 million by dawn), and the often painful yet valuable personal lessons he learned the hard way. It's a high-pressure, high-stakes world rarely seen by outsiders and rarely written about by its inhabitants. Here, fortunes are made and lost in moments, and nobody brings it to life better than Marty Schwartz, the man "Barron's" calls "the best there is." His stories are irresistible, and his candid accounts of his smart moves and blunders alike are priceless. Appended to each chapter are fascinating "lessons" Schwartz has learned about the financial markets--where you'll learn about the attitude, style and strategies that make Schwartz a winner. For the real nuts and bolts, turn to the end of the book and plunge into "The Pit Bull's Guide to Successful Trading," a manual covering Schwartz' favorite trading methods, market analysis tools and indicators. Whether you want to play the markets yourself, are curious about how the buccaneer...
