John Wiley Sons Australia Ltd, Australia, 2014. Paperback. Book Condition: New. 10th Revised edition. 250 x 150 mm. Language: English . Brand New Book. Company Accounting, 10th edition has been thoroughly updated to reflect the various and ongoing reforms as a result of Australia's adoption of international financial reporting standards. Containing several all-new chapters, this edition provides an authoritative and reliable overview of the various changes required within the Framework and a selection of key accounting standards governing corporate entities. The text provides students with a comprehensive overview of the practice and principles of company accounting, and helps them develop the practical grounding to reinforce their understanding. The 10th edition presents essential 'must know' information on accounting for a corporate entity and the requirements for externally disclosing the financial position of the entity. Company Accounting, 10th Edition retains the hallmark features seen in previous editions of the title, including a high attention to detail, practical application of accounting standards, provision of a conceptual basis, and depth of analysis.
