They are the truth that we all want to be healthy, fit, and strong, and the truth that we dont have the time to log in hours a day at the gym. As much as we would like to, the gym just doesnt take the priority in our lives like the other things we have to do in a day. But that doesnt change the fact it is hard to lose weight or maintain a healthy and active size when you spend the day working and running errands. Whether you are running the kids to school or some other activity, at the office, or trying to get your house up and running, you are stretched thin. But there is good news! Studies have...
