Reviews

This publication will be worth purchasing. It typically is not going to cost a lot of. Its been designed in an exceptionally straightforward way and it is just following i finished reading through this pdf through which actually changed me, change the way i believe.

(Irving Roob)

ICE LIKE FIRE (PAPERBACK)

HarperCollins Publishers Inc, United States, 2016. Paperback. Book Condition: New. Reprint. 203 x 135 mm. Language: English . Brand New Book. Game of Thrones meets Graceling in this thrilling fantasy, the heart-pounding sequel to New York Times bestseller Snow Like Ashes. This action-packed series is perfect for fans of An Ember in the Ashes and A Court of Thorns and Roses. It's been three months since the Winterians were freed and Spring's king, Angra, disappeared-thanks largely to the help of Cordell. Meira just wants her people to be safe. When Cordell's debt forces the Winterians to dig their mines for payment, they unearth something powerful and possibly dangerous: Primoria's lost chasm of magic. The last time the world had access to so much magic, it spawned the Decay. So when the king of Cordell orders Meira and Theron on a mission to discover the chasm's secrets, Meira plans on using the trip to garner support to keep the chasm shut and Winter safe-even if it means clashing with Theron. But can she do so without endangering the people she loves? Mather just wants to be free. The horrors inflicted on the Winterians hang fresh and raw in Januari-leaving Winter vulnerable to Cordell's growing oppression. When Meira leaves to search for allies, Mather decides to take Winter's security into his own hands. Can he rebuild his broken Kingdom and protect his people from new threats? As the web of power and deception is woven tighter, Theron fights for magic, Mather fights for freedom-and Meira starts to wonder if she should be fighting not just for Winter but for the world.
