*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

But when George is a no-show Agatha goes looking for him - and finds he has been murdered, having been bitten by a poisonous snake and buried in a compost heap. Agatha and the rest of her crew plunge into an investigation and discover that George had quite a complicated love life.
