The Revolution of 2012: Volume One - The Preparation

By Andrew Smith

Ken Evans Prints. Paperback. Book Condition: new. BRAND NEW, The Revolution of 2012: Volume One - The Preparation, Andrew Smith, The book is a natural sequel to the various research studies of the ancient mysteries involving the Mayan predictions for the Winter Solstice 2012. "The Revolution of 2012" provides a briefing on the current mysteries surrounding the run-up to 2012 -- directly from the Ascended Masters working on the implementation of the Divine Plan for the Earth's evolution through this period. This channelled briefing is offered to provide insight and understanding in depth about what is actually going to happen during the years prior to 2012 and thereafter so that we can choose to make sensible and relevant preparations for this immense transition. "The Preparation" is the first volume of three. It describes the energetic changes already taking place on Earth and their effects on many aspects of human life. The reader is invited to align with these profound changes utilising the expanded consciousness available through the Heart Centre, the natural gateway of connection to the Spiritual realms of Higher Consciousness. Appropriate changes in all forms of life expression can be progressively achieved as this alignment becomes a living reality...

Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
