LIFESCAPES: STORIES MOSTLY TRUE.OR NOT (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you pressed for time in a daily round of family, commute, job, commute, family? Are you tired of the same old fantasy, sci-fi, or romance formulaic books that are somehow too familiar to hold your interest but are so popular that the water cooler conversation or book club chatter is obligated to focus on them? Are you a creative thinker open to off the wall new fiction interspersed with real life tales of the girl next door or that boy that you just never spoke to in third period algebra class and now, every so often, you find yourself wondering whether you should have? In Lifescapes, Stories Mostly True.Or Not you get a generous helping of tasty short stories plus a scintillating essay and a provocative values quiz to share, discuss, or pass by, if well, you just don t read that kind of thing. The author promises not to reveal which stories are near truth and which tales are plausible fictions and spoil the reader s guessing game. For only a few dollars a download, Lifescapes, Stories Mostly True.Or Not costs less than a latte but contains so much more to sustain the reader than...
