FBI agent-turned-bricklayer Steve Vail thought he was done with the agency, but the Bureau has another unsolvable problem, and it has Vail's name written all over it. Finding the hidden turncoats, however, won't be easy in fact, it could be downright deadly. And even with the help of FBI Assistant Director Kate Bannon, the Bricklayer's going to have to come up with a few new tricks of his own if he hopes to survive. Agent X a white-knuckled thrill ride that crackles with an electric authenticity only a writer who's a real-life FBI veteran can provide.

I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.
