Although he is eager to help, his tiny stature prevents him from doing all the important things that elves need to do to get ready for Christmas. Despite his petite size, Marvin has immense courage and a huge heart, traits that he will soon need. One day, trouble comes to the North Pole. With everyone so busy preparing for Christmas, Marvin is the only one around who can save the day. And now his small size is paying off, as he finds the strength to rescue everyone else at the North Pole. In the end, Marvin realizes that even though he is small, he can still do great and wonderful things. Author Erin Snedeker lives in Florida, where she recently graduated high school. She teaches piano lessons, is a lifeguard and plans to attend college. Snedeker wrote The Littlest Elf as a Christmas present for her seven-year-old brother. Her next book, Strudell McDoogal and his Fabulous Flugal, is about a boy who learns that it is okay to be yourself and stand up for what you believe in. Publisher s website: //.
