### ***Reviews***

*It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Updated Modern Appearances of Characters! Updated Copyright and trademark information! New Art! This volume is divided in 4 macro-sections: an introduction describing the history of the Better/Nedor/Standards imprints and a timeline of their brilliant founder, the late Ned Pines; section 2 focuses on 28 characters, providing insights on their creation and conceptualization, their publishing life and their actual copyright and trademark status. A comprehensive analysis of the characters follows, including a description of their market trends, success factors and archetypal references. The last part is an updated summary of the copyright status of the Better/Nedor/Standard Golden Age titles, providing registration and renewal numbers dates and owners. A trademark table completes this section summarizing the...
