Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This publication, Army Techniques Publication ATP 3-39.33 Civil Disturbances April 2014, provides discussion and techniques about civil disturbances and crowd control operations that occur in the continental United States (CONUS) and outside the continental United States (OCONUS). United States (U.S.) forces deploy in support of unified action, overseas contingency operations, and humanitarian assistance worldwide. During these operations, U.S. forces are often faced with unruly and violent crowds who have the intent of disrupting peace and the ability of U.S. forces to maintain peace. Worldwide instability coupled with U.S. military participation in unified-action, peacekeeping, and related operations require that U.S. forces have access to the most current doctrine and techniques that are necessary to quell riots and restore public order. The principal audience for ATP 3-39.33 is Army commanders and staff elements at all echelons who are tasked with planning and directing civil disturbance missions. This publication covers a wide array of information that concerns civil disturbances along with the techniques that are used to quell or disperse those who are causing the disturbance. This publication discusses crowd dynamics...
